SAFE Executive Summary

Executive Summary
Facility: South Florida Manufacturing Corp
Assessment date: 2025-01-27
Sector: Commercial Facilities
Security posture: Not specified
Security percentage: Not specified
Standards met: Not specified
Total standards: Not specified

SAFE Executive Summary

Facility Information

Facility Information
Facility: South Florida Manufacturing Corp
Address: 12345 NW 12th Street
City: Miami
State: FL
Zip: 33126
Facility type: Manufacturing Plant
Employee count: 150

Information Sharing & Communication

Information Sharing & Communication
Awareness: yes
Law Enforcement: yes
Fire Agency: yes
Medical Agency: no
FBI Info: yes
ISAC Info: no
HSIN Info: no
InfraGard: yes
Federal Info: yes

State/Local Info: yes
Neighbor Info: no

Security Plans & Management

Security Plans & Management
Security Manager: yes
Security Plan: yes
Plan Training: no
Plan Coordination: yes
Employee Training: no
Plan Testing: no
Risk Assessment: yes

Physical Security

Physical Security
Security Personnel: yes
Perimeter Fencing: no
Access Control: yes
Security Lighting: no
Standoff Distance: no
Building Envelope: yes
Key Control: no

Security Systems

Security Systems
Video System Type: digital
Video Coverage: no
Video Monitoring: yes
Video Recording: yes
Intrusion Detection: no
Alarm Monitoring: yes
System Integration: no

Custom Vulnerabilities & Options for Consideration

Finding 1

Insufficient perimeter lighting creates security blind spots

Category: Physical Security

Options for Consideration: Install additional LED security lighting with motion sensors

Finding 2

Outdated network equipment increases cyber attack risk

Category: Facility Information

Options for Consideration: Implement network segmentation and upgrade infrastructure

Finding 3

Incomplete background check procedures for contractors

Category: Security Plans

Options for Consideration: Establish comprehensive background check requirements

Commendable Practices

Commendable Practices

• Conducted quarterly emergency response drills - Improved coordination during emergency situations
• Active participation in InfraGard program - Enhanced threat intelligence capabilities
• Implemented 24/7 security personnel - Significantly improved facility security posture
